Uam Superiori anno, Amplissimi, Prudentissimi; Viri Dn. Fautores colendissimi, texere musicam cepi telam: eam hoc currente conatus sum perficere: & Musici Promptuarij, cujus Dn. De cujus publicæ editionis, quod adhuc restabat, patrocinio cum nuper sollicitè cogitarem: Vos, Viri prudentissimi, dignipræ cæteris mihi fuistis visi, quibus hunc musicum meum commendatum irem laborem. Siquidem ex eorum neutiqua estis numero: qui vel pias Musas cum despectu in exisium actas velitis: vel legitimum earum cultum, quod absque communis vitæ maximo nunquam factum est detrimento, statuatis sublatum. Quin potius absque iis neque piè, neque honestè transigi posse vitam hanc rectè arbitramini: & hac de caus à & hospitium & alimentum pro vestra liberalitate optimis in vestra civitate conceditis studiis. Et quo affectu quidem ipsas Musas comuniter prosequimini: eodem singillatim Musicam scientiam melicam nobilem, neque in Schola neque in Eccle-

Pergite igitur, Viri Prudentissimi, in hoc studiorum optimorum favore vestro & patrocinio: neque improbate, hanc alteram Promtuarij mei musici partem sub VESTRO nomine & tutelâ in lucem prodire: serena quoque benevolentiæ vestre aura adspirate his meis laboribus: & ut hactenus, ita deinceps studiis optimis favete: eorumq; cultores VOBIS habete commendatos.

Quod superest, Deo Opt. Max vestram Amplitudinem & Prudentiam mente devota commendo: & ut hoc meum alloquium benevolis excipiatis auribus, etiam atque etiam rogo. Scrib. Spiræ Nemetum 5. Cal. Januarii Anno. M. DC. XI.
