RUSSELL'S MUSICAL LIBRARY.

We are now prepared to publish all kinds of *Sheet Music*, from the most simple song or piece to the most classic composition, at *less than one half of former prices*.

It has been the custom for years for some of the leading publishers of Europe to issue cheap editions of all kinds of music in order to bring them within the reach of all classes.

We have now made up our minds to adopt the same plan in this country, viz., to publish music of all grades, both vocal and instrumental, to *retail* for about

Two and One Half to Three Cents per Page,

and we shall spare no pains or expense to make the publications equal if not superior to any of our former editions.

We shall give a liberal discount to the trade and profession.
