Allegretto moderato (♩ = 74)

It was a lover and his lass, With a hey, and a ho, And a hey nonino, That o'er the green corn-field did pass, In the spring time,

the on-ly pret-ty ring time, When birds do sing, hey ding a ding, ding, ding a ding, ding, Sweet lovers love the spring.

In My Garden

When the thrushes in my garden see you come,
O they cease them for a moment and are dumb;
Then they break to song anew
For the very joy of you,—
When the thrushes in my garden see you come.

When the roses in my garden hear you nigh,
O they droop their heads a moment and are shy;
Then they break to bloom anew
For the very love of you,—
When the roses in my garden hear you nigh.
