## CONCERTO EN RÉ MINEUR

## CONCERTO IN D MINOR

NOUVELLE ÉDITION.

NEW EDITION.

Ce Concerto en Ré mineur a été écrit par Händel pour Orgue, Violons (1<sup>re</sup> 2<sup>e</sup> et 3<sup>e</sup>) Alto et Basses.

Réduisant cet ouvrage pour l'orgue seul, et faisant abstraction de l'orchestre, j'ai dû pour cette adaptation faire quelques additions dont voici la liste : 1<sup>o</sup> Les notes gravées en petits caractères ne sont pas de Händel; j'ai cru devoir les ajouter pour compléter et renforcer l'harmonie. 2<sup>o</sup> Les termes placés entre parenthèses ( ) et les nuances, ainsi que l'indication des claviers et des jeux; les liaisons — et les points ....., sauf ceux qui sont surmontés de ce signe , ont été ajoutés pour donner plus de coloris à l'exécution. 3<sup>o</sup> La partie d'orgue, dans l'œuvre de Händel n'étant écrite que sur deux portées, j'ai cru devoir indiquer une partie de pédale sur une troisième portée.

Je pense que le mouvement *Andante* du premier morceau ne doit pas être pris aussi lentement qu'il est d'usage de l'exécuter maintenant, mais plutôt avec un peu de vivacité.

Après le premier morceau, la partition porte l'indication suivante: « *Organo Adagio e per una Fuga Allegro ad libitum.* » J'ai cru utile de combler cette lacune en intercalant un *Adagio* tiré du 8<sup>e</sup> Concerto pour instruments à cordes de Händel, que j'ai transposé et arrangé pour l'orgue.

J'ai dû aussi abréger la durée des notes finales de certains *tutti* afin de mettre mieux en relief le commencement des *sol*.

ALEX: GUILMANT.  
Meudon, le 25 Avril 1894.

*This Concerto in D minor was written by Handel for Organ, 1<sup>st</sup>, 2<sup>d</sup> and 3<sup>d</sup> Violins, Tenor and Basses.*

*Having reduced this work for the Organ alone and taken away the Orchestra I have been obliged for this adaptation to make some additions of which I here give a list. 1<sup>o</sup> The notes engraved in small type are not by Handel; I have thought proper to add them in order to complete and enforce the harmony. 2<sup>o</sup> The terms placed between parentheses ( ) and the expression marks as well as the indication of manuals and stops; the ties — and dots ....., except those which have over them this sign , have been added in order to give the performance more colouring. 3<sup>o</sup> The Organ part in the work of Handel being written only on two staves, I thought proper to indicate a pedal part on a third staff.*

*I think the Andante of the first movement ought not to be taken as slowly as performers are in the habit of playing it now, but rather a little spirited.*

*After the first movement the score bears the following indication « Organo Adagio e per una Fuga Allegro ad libitum. » Here the Adagio from Handel's 8<sup>th</sup> Concerto for stringed instruments has been inserted to fill the gap, after being transposed and arranged for the Organ.*

*I was also obliged to shorten the final notes of certain tutti in order to make the beginning of the soli more prominent.*

ALEX: GUILMANT.

# GAVOTTA

Cette Gavotte est tirée de la 12<sup>me</sup> Sonate pour l'orgue du Père Martini, publiée à Amsterdam en 1742 chez le Cene.

Sont ajoutés à l'original les termes placés entre parenthèses, ( ) les liaisons — et les points..... J'ai transporté à l'octave supérieure certains passages, à cause de l'effet du jeu de Carillon.

Les notes gravées en petits caractères ne sont pas de l'Auteur. Je conseille d'exécuter les blanches de la partie de pédale comme des noires suivies d'un soupir ainsi qu'aux mesures 9, 10 et 11. A la cinquième mesure et à celles qui reproduisent le même passage, il ne faudra jouer que la note la plus grave.

La partie de pédale n'est pas indiquée par le Père Martini.

ALEX: GUILMANT.

*This Gavotte is taken from the 12<sup>th</sup> Sonata for Organ of Father Martini published at Amsterdam in 1742 by le Cene.*

*To the original are added the terms placed between parentheses ( ) the ties — and the dots..... I have transposed certain passages an octave higher on account of the effect of the Carillon stop.*

*The notes engraved in small type are not from the author. I advise that the minims in the pedal part should be played like crotchets followed by a rest as in the bars 9, 10 and 11. In the fifth bar and whenever the same passage re-occurs only the lower note will have to be played.*

*The pedal part is not indicated by Father Martini.*
