

Hochgeehrter Leser!

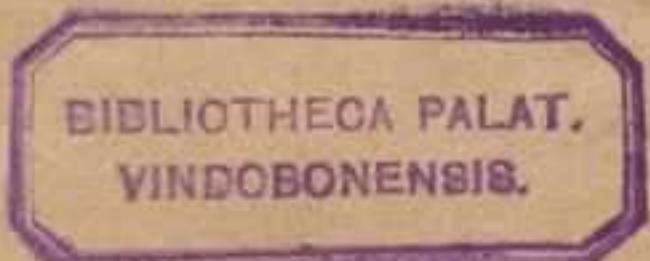

DAß ich gegenwärtige Lauten-Früchte, allen Liebhabern zu Gefallen, an des Tages
Licht gelangen lassen, ist garnicht aus den Ursachen geschehen, einigen Ruhm dadurch zu suchen, indem ein jeder alle Gaben empfangen muß, und nichts von uns selber haben, als vvollem vvir dem Urheber aller Gaben solchen Rubmeintzig und allein aufopffern; Eben so vvenig ist es auch geschehen einigen Nutzens halber, sondern dieses ist mein rechter Zvweck, daß, gleich vvie ein Baum die Früchte, vvelche er träget, nicht an sich behält, sondern den Menschen solche gleichsam austheilet: Also habe diese meine geringe Arbeit und neue Lauten-Früchte mit viel Mühe und Unkosten im Kupfferstich herausgeben vvollem: hoffende, daß diese VVolmeynenheit die meisten geneiget aufnehmen vverden, und vvas Verständige, kein allzufrühes Urtheil darüber ergeben lassen, bis sie es zu vor ganz durchgesehen. Ein solch Exercitium kan, meines Erachtens, einige Ursach geben, sonderlich jungen Leuten, dadurch manche Zeit, vvelche sonst unnützlich zugebracht vverden möchte, vvol anzuvvenden: Und vermag solche Ubung auch das Gemüth zu erfrischen, vvan man von andern Studiis und Geschäftten ermüdet.

Dieses VVerckleins Eigenschafft nun betreffende, so vvird der geehrte Liebhaber viel Sachen darinnen finden, ob es gleich nicht allzuveitläufig scheinet, indem ich mich der compressen Fürschrifft befliessen, doch aber auch gut in das Gesichtefallen vvird; und vverdenthels leichte, auch etliche lehrhaffte Stücke darinnen zu finden seyn, vvelche, hoffentlich, das Ohr und Faust nicht incommodiren vverden: VVundschende, daß dieses VVerck die geneigten Liebhabere also contentiren möge, als hierbey meine gute intention gevvesen, meine besten und neuesten Sachen einem jeden zu communiciren.

Der Application hierbey in etvvas zu gedencken, so habe solches nur mit vvenigen berühren vvollem, so, daß es nicht auff die Erfabrenen, sondern vielmehr auff die Incipienten, zielet; und solche in etvvas erinnern vvollem, daß man sich befleisse: Erstlich die Laute recht stimmen zu lernen, und, nachdem sie anfangen zu spielen, die Laute bey einem geraden Leibe, sonder einige Cramassen und Übereylung des Tacts fein moderatè zu tractiren. Belangend die rechte Hand, so vvird dabey folgendes vvol zu observiren seyn:

Erstlich muß der kleine Finger nicht hinter, sondern für den Steg etvvas gesetzt vverden, vvelches lieblicher klinget, und daß sonderlich der Daumen zu rechter Zeit gebrauchet vverde: VVann dann ein Chor damit geschlagen, daß er auff dem folgenden Chor ligen bleibe, daß auch der Daumen nicht etvva an stat des Fingers gebrauchet vverde.

Das

Das fünfte Chor habe ich mit einem Strich darumb unten nicht gezeichnet, vveil es ordinari den Daumen erfodert, da aber ein Punct darunter steht, bedeutet es den Finger. Das vierde und dritte Chor vverden allezeit mit den Fingern genommen, es stebe denn ein Strichlein darunter, so bedeutet es den Daumen. Und dafern an einem Griff auff der Seiten herunter etliche Strichlein oder Puncte stehen, und unten der Daumenstrich dabey, vverden alle Seyten mit dem Daumen runter gestrichen; Ist aber der Daumenstrich unten nicht dabey gezeichnet, vvird es mit dem ersten Finger rauffuverts gestrichen, vvann auff der Seiten herunter sich Strichlein oder Puncte befinden. Die VVechselung der Finger an der Rechten Hand, muß auch sonderlich vvol in Acht genommen vverden.

Belangend die lincke Hand, ist dieses dabey zu observiren, daß der Daumen nicht zu vweit hinüber gegen die Bässe zu gesetzet vverde, damit man die Finger desto besser auffsetzen, und eine hole Hand gebrauchen kan, vvorbey die Mordanten, sonderlich bey Cadancen, nicht kurtz, und scharff abgerissen vverden müssen.

Mehr müssen auch die Striche, alvvo man überlegen oder halten soll, vvol in Acht genommen vverden, und allezeit die Finger veste auffdrücken, vwelches zu reinerem Klange befodert, auch, so es nicht dissoniren sol, die Finger nicht allzugeschwind abnehmen, und die Seyten zuvor aussklingen lassen: Und muß man sonderlich auff alle Signa vvol Acht haben, keines unterlassen vvol zu observiren, bey vvelchem meistens die Manier verhalten. Auff die Änderung der Tone muß man im Spielen auch gute Acht haben, daß nicht allezeit starck, sondern auch zu zeiten etvvas eingehalten und gelinder gespielet vverde, gleichsam nach oratorischer Art, und kan man sich durchgehends mehr der Lieblichkeit, als etvvan die Lute grande anzugreissen, befleissen, doch, daßdabey alles vvol exprimiret und deutlich genennet vverde. Die Separationes fangen allezeit unten von den Bässen an, und sofern man die rechte Mensur vvol nach itziger Art rausbringen vwil, müssen die gleichen Noten stets rückende oder springende, und nicht so gleiche vweg gespielet vverden.

Der Accord vvird unten am Blat bey jeder Suite zu finden seyn, sofern er sich ändert. Folget aber kein Accord nach der Suite, so bleibt die Stimmung im vorhergehenden Ton.

Und so viel v wäre mein sentiment von der Application der Lauten, als mir in der Eyl beyfallen vollen. Ubrigens empfehle mich allen Liebhabern zu geneigter Affection. Vale.

 Oe R:

The score consists of ten staves of handwritten musical notation. The notation includes various note heads (circles, squares, triangles) and rests, with some notes having vertical stems and others horizontal. Measures are separated by vertical bar lines. The first few measures show a rhythmic pattern of eighth and sixteenth notes. The tempo is indicated as 800000000 at the bottom right of the page.

No 22.

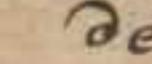

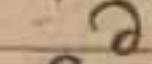

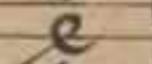

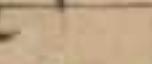

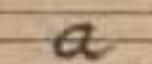

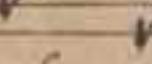

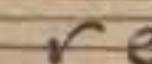

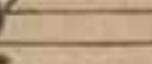

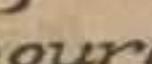

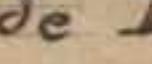

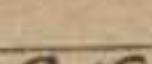

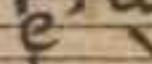

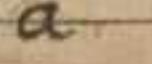

A handwritten musical score for three voices (P, B, and V) in common time. The music consists of two systems of four measures each. The vocal parts are written in a cursive, Gothic-style script. The first system begins with a forte dynamic (F) and includes lyrics such as 'errata corriera carre', 'errata corriera carre', 'errata corriera carre', and 'errata corriera carre'. The second system continues with 'errata corriera carre', 'errata corriera carre', 'errata corriera carre', and 'errata corriera carre'. The score concludes with a final section labeled 'Accord.'.

A handwritten musical score for three voices (Soprano, Alto, Bass) on three staves. The music consists of three movements: Saraband, Gavotte, and Gigue.

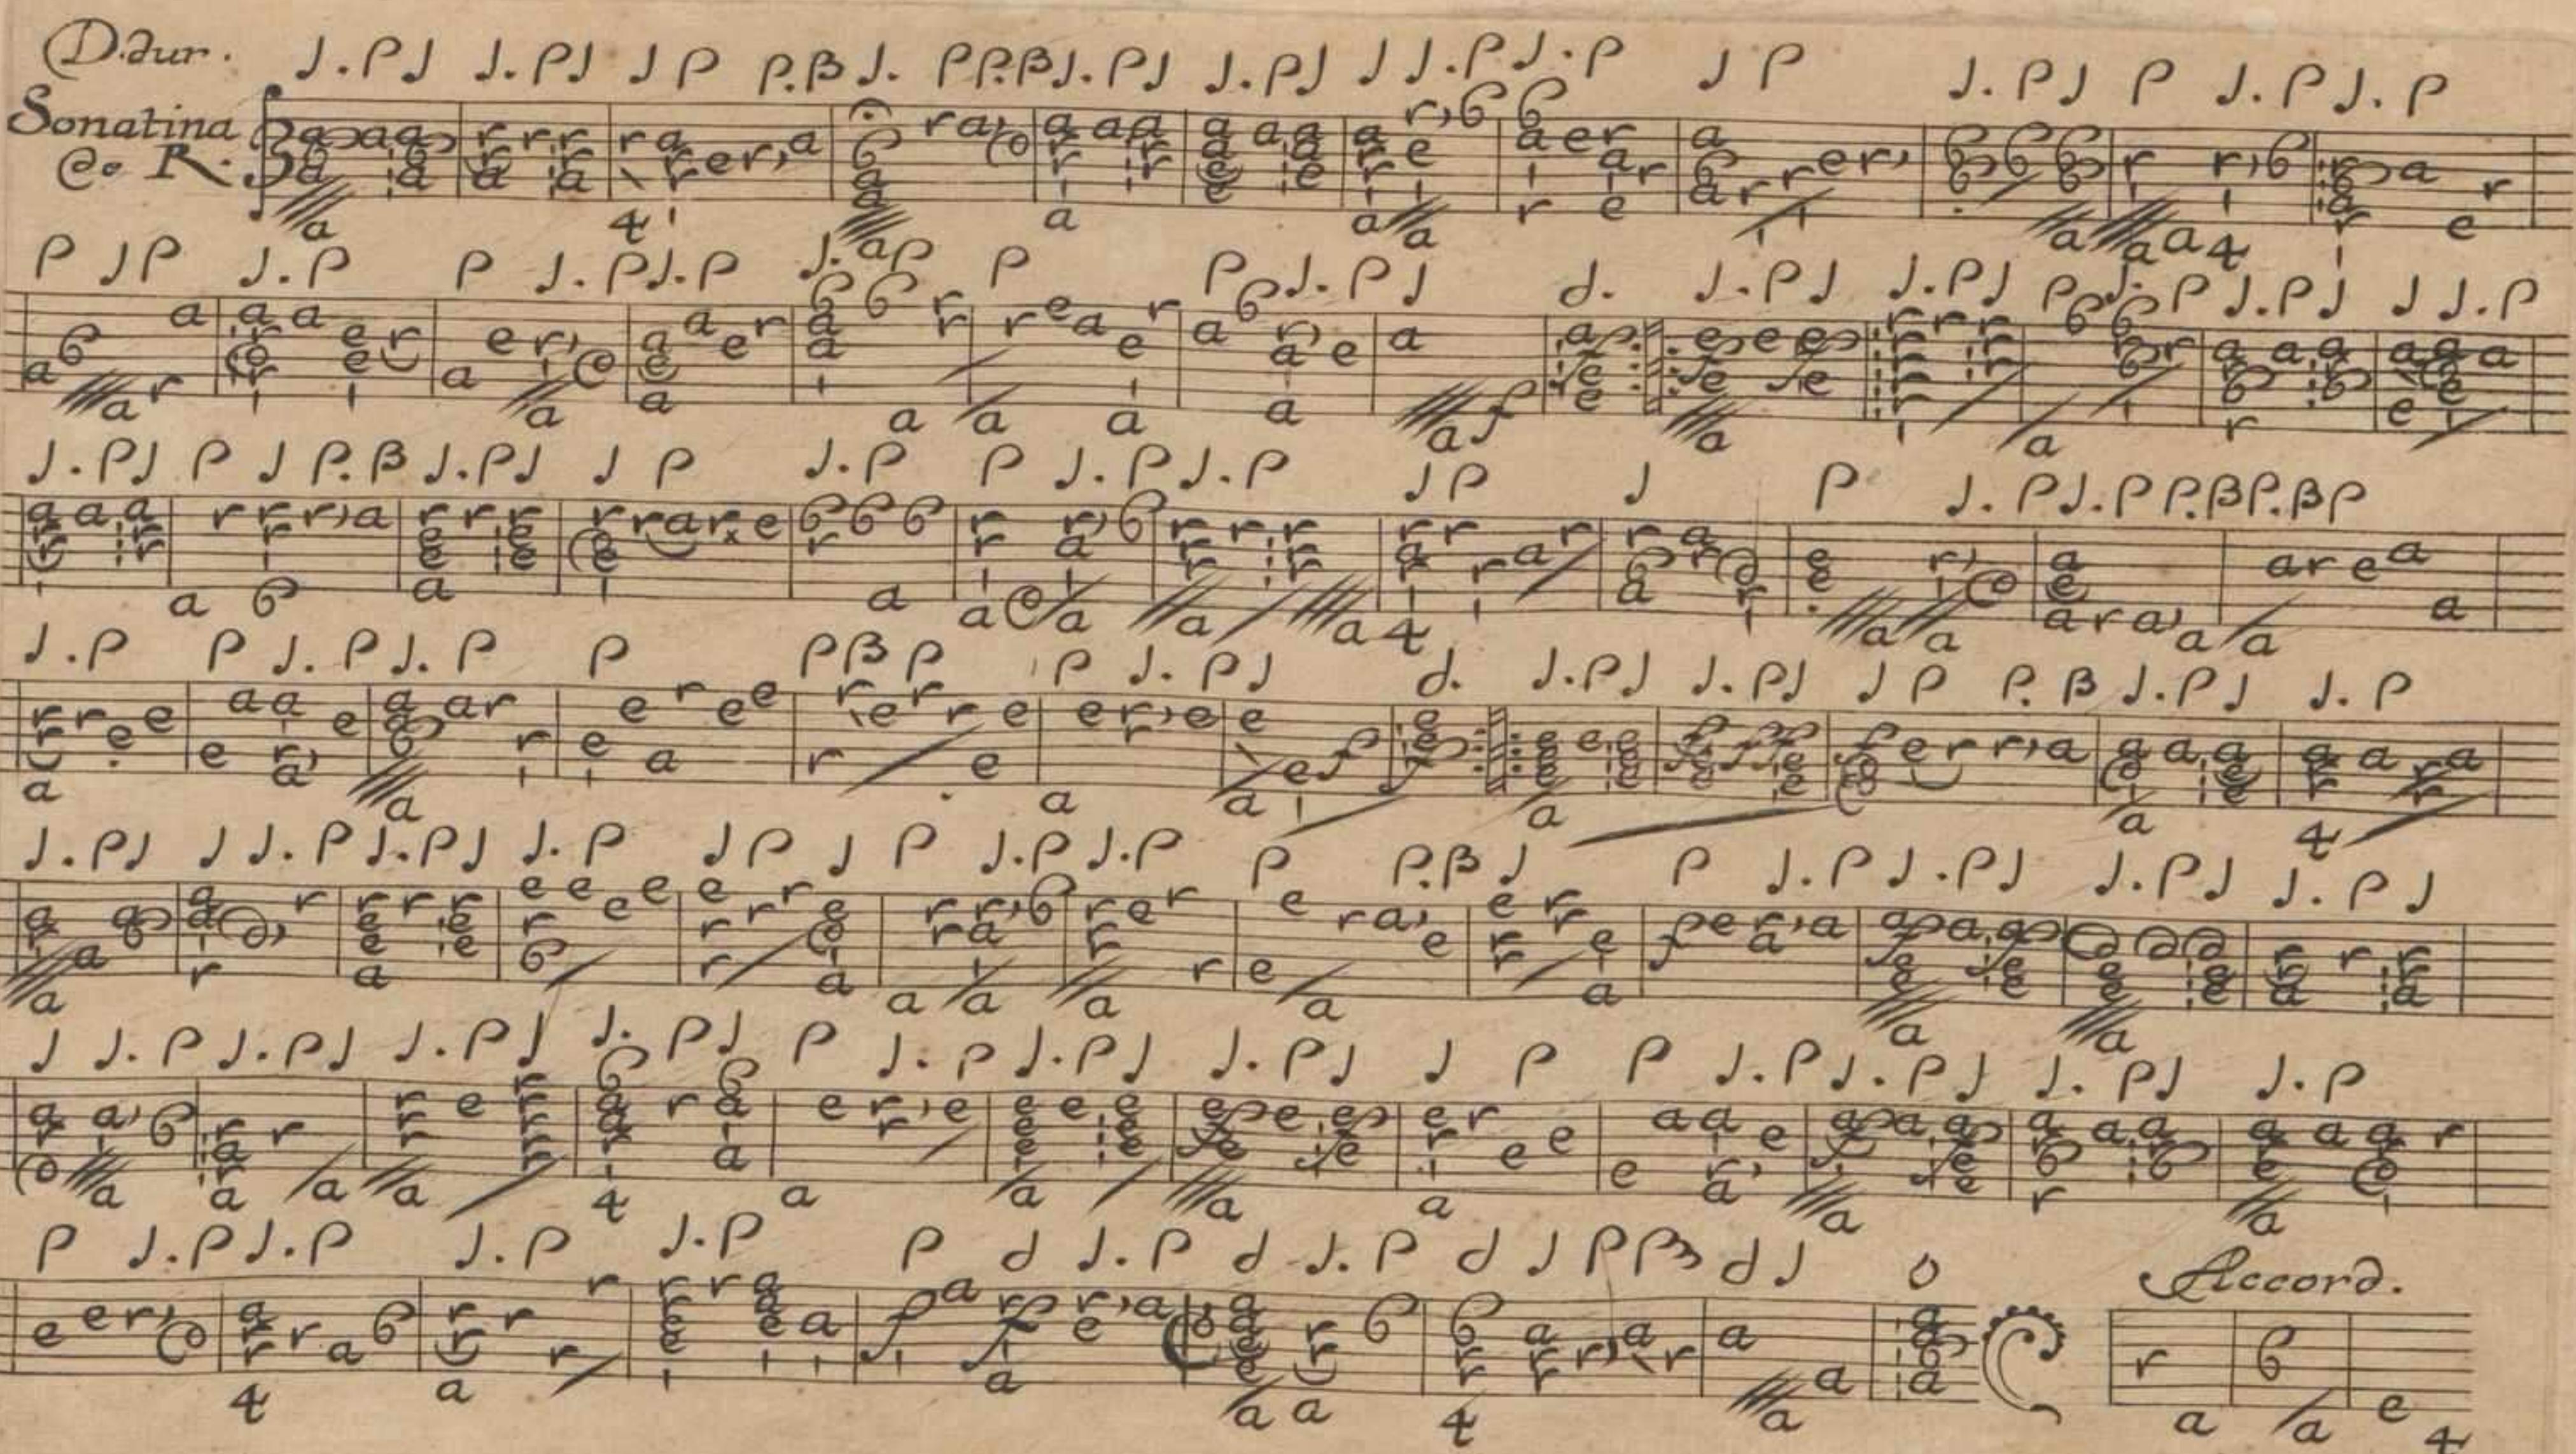

Saraband: The first movement starts with a treble clef, common time, and a key signature of one sharp. It features a mix of eighth and sixteenth note patterns. The vocal parts are labeled with letters: S, A, and B. The lyrics are written below the notes.

Gavotte: The second movement begins with a bass clef, common time, and a key signature of one sharp. It continues the mix of eighth and sixteenth note patterns. The vocal parts are labeled with letters: S, A, and B.

Gigue: The third movement starts with a bass clef, common time, and a key signature of one sharp. It features a mix of eighth and sixteenth note patterns. The vocal parts are labeled with letters: S, A, and B.

The score includes various musical markings such as dynamic signs (P, J, P.J., P.P.), rests, and slurs. The lyrics are written in a cursive script below the notes. The score concludes with a decorative flourish at the end of the Gigue section.
