JAPANESE RAIN SONG

Where afar the white Meccano
Her high peak aloft doth throw,
There the rain falls ever downward,
Downward, ever falls the snow.

Ev'n as endless as the rainfall
And the snow her heav'ns renew,
Is my endless love and longing,
Since my eyes have gazed on you.

S. LANGFORD

JAPANISCHES REGENLIED

Wo ich ferne des Mikane
Hohen Gipfel ragen seh',
Fällt der Regen endlos nieder,
Nieder endlos fällt der Schnee.

Ganz so endlos wie der Regen
Und der Schnee vom Himmel taut,
Ist auch endlos meine Liebe,
Seit ich dich zuerst erschaut.
