*There are several typhoons striking Taiwan in summer every year. The song was written down when the typhoon came here. I was at school that time. The view was terrible after it passed. Wind was violent, rain was tremendous. People live in Taoyuan had a additional holiday. But I, as a guard officer still had to go working. So I can see the view in the typhoon day.*

願他的口與我親嘴，因你的愛情比酒更美。  
*Let him kiss me with the kisses of his mouth  
 for your love is more delightful than wine. Song of Songs*
