Signor mio, Signor, e Padron Colendissimo

O dedico à V. S. Illustrissima, e Reuerendissima l'Opra presente della mia penna, per concordare con la compositione la dedicatione:perche, se in quella co' più sonori artificij, che habbia potuto inuentare la mia debolezza, giro intorno il canto fermo, base d'ogni musica harmonia, in questa cò l'instinto della mia naturalezza giro intorno al

più stabile centro de' miei pensieri, che è V. S. Illustrissima, e Reuerendissima, che riceue sempre dalla mia riuerente offeruanza il tributo della mia diuotione. Supplico V. S. Illustrissima gradire la povertà di questo mio parto, per concordare alla mia speranza la sua gratia, acciò da questa rinforzato il mio debilissimo talento, possa meno essere discorde in seruirlo dal mio debito, e desiderio. E in tanto à V. S. Illustrissima, e Reuerendissima riuerètemente m'inchino, e da Dio nostro Signore prego il compimento di tutte le gratie.
