Sleep and Love

Love Sleep
Sleep Love !
Even unrequited.
Let not troublesomeness
Disturb repose,
Let not adventurousness
Perturb my pose
Let not callousness
Reduce openness
Sleep Love !
More so if requited
Love Sleep !

The drowsing vale dictates
That the drooping narcissi,
Shall Wilt,
Feigning Death.

Yet a subterranean undercurrent
Impels resurgence
Fear not Death, slumberer !
Love Sleep,
Sleep with Love.
