Forent ſanè pauciores, qui hoc meum conſilium, quo tempeſtate hâc turbulentiſſimâ & omnium periculoſiſſima Harmoniam novam in publicum prodire patior, improbarent. Verum enimverò, ſi inter reliquos artis Muſicæ fines à primo, qui Dei gloria eſt, iſte proximum ſibi vendicat locum, quòd mœrorem pellit, ſpiritus dejectos erigit, animumq; curis & ſollicitudinibus fatigatum reficit; ignoſcent mihi rerum alienarum Cenſores illi, quòd inter ipſos patriæ noſtræ Chariſſimæ turbas funeſtiſſimas ejuſmodi Concentus publici juris facio, qui mentes piorum perterrefactas ſolari, ad preces excitare, & ſpem liberationis, aut ſaltem tantarum calamitatum mitigationis minimè dubiam facere queant. Siquidem Regium me imitari pſalten penitus ſum perſuaſus, qui inter medios armorum bellorumq; ſtrepitus & tumultus Citharam ſuam pulſare, ſimulq; opem divinam cantando implorare, aut etiam laudare nunquam non fuit ſolitus. Diu verò hæſitanti & quærenti, quibus in tantâ raritate & paucitate artis hujus patronorum & promotorum, addo etiam, ſi licet, æſtimatorum, hunc laborem meum nuncuparè aut conſecrarè: Vos tandem primi occurriſtis Viri Magnifici & Nobiliſſimi, &c. Vos enim ex Ampliſſimo & Nobiliſſimo ordine Senatorio, rei Eccleſiaſticæ, & Scholaſticæ, adeoq; etiam, quæ utriusque ornamentum & decus eſt eximium Muſicæ, magna cum veſtra laude, & inſigni noſtro cum bono præeſtis. Vos eſtis, qui ſtudia veſtra & affectum pluſquam paternum à multis annis erga me immerentem ſignificaſtis; & multis etiam modis in me & meis juvandis & promovendis ipſo opere declaraſtis. Accipite igitur hunc, quem V. V. M. M. N. N. & A. A. offero & humiliter dedico laborem, indeq; vel ex parte aliquâ animum meum gratum & ad omnia officia & obſequia paratum æſtimato.
