3. 1.

HYMNI SACRI, QVO=RVM IN ECCLESIA PER FE=*STA MAXIME SOLENNIA VSVS*

eſt, ad Harmoniam Muſicam ap-plicati à

LEONARTO SCHROTERO TORGEN=*ſe, Scholæ Magdeburgenſis Muſico.*

TENOR.

Erphordiæ Typis Georgij Bau=manni excuſi.

M. D. LXXXVII.

INTEGERRIMIS VIRIS, VIRTVTE, PIETATE & Sapientia ornatiſsimis, Eccleſiæ Magdeburgenſis, ad D. Vlricum, D. Ioannem. D. Catharinam, D. Iacobum, *D. Petrum, & ad Spiritum ſanctum, Senioribus, & Procuratoribus, Dominis ſuis colendis.*

ETſi DEVS hoc noſtro ſeculo, multos *præſtantes Artifices in arte Muſica excitauit, qui infinita ſacræ Scripturæ dicta Muſicis numeris magna ingenij felicitate ſuauißimè ornarunt, & tanquàm Pomum aureum in lance argentea Eccleſiæ propoſuerunt: Tamen neſcio quo fato accidit, vt ad Eccleſiaſticos cantus exornandos, tam pauci animum hactenus applicauerint. Nam non ita multæ in hoc genere extant hodie cantilenæ, quarum in Eccleſia Chriſti per Feſta maxime ſolennia vſus eſt. Hac de re, cum apud noſtros quoq; eſſent querelæ, quibus cura canendi in Templis demandata eſt, nuper Hymnos aliquot, vſitatis Eccleſiæ Chriſtianæ feſtis ac temporibus accommodatos, compoſuj.*

Nam tot

Nam totum vitæ meæ tempus, à DEO mihi hactenus benigne conceſſum atq; conſeruatum, ad Scholas & Eccleſias ornandas conferre voluj, & ad eas actiones me potiſſimum conuertere, per quas non noſtri ſolum homines, quibus omnem meam operam, ingenium, ſtudium dicauj, ſed etiam alij, quicunq; hæc expetenda ducunt, aliquam ex his meis laboribus, vtilitatem perciperent. Etſi autem non eam ingenij facultatem ad hanc Hymnorum compoſitionem me attuliſſe confiteor, quam & ipſorum dignitas atq; amplitudo poſtulabat, quamq; in alijs longe vberiorem, aut etiam perfectiorem futuram fuiſſe non dubito, Tamen honeſtæ voluntatis ſtudium atq; conatum non reprehendi à quoquam honeſtè poſſe exeſtimauj, cum non omnes aurum & argentum, ſed ſtipulas etiam huc nonnulli ſuas adferant. Nam quemadmodum ingeniorum, ita & donorum magna eſt varietas, quæ tamen omnia ad vnius DEI illuſtrandam noticiam, ad ornandam eius gloriam, ad confirmandam inuocationem, ad fouendam communem inter homines ſocietatem atq; concordiam, ea qua par eſt & decet animi ſubiectione, piè & reuerenter conferenda ſunt.

Cum autem hunc Hymnorum librum edere tandem & vulgare ſtatuiſſem, hoc quicquid eſt laboris, quem pio animo ad veſtras Eccleſias decorandas ſuſcepi, vobis in primis dedicare, & quaſi conſecrare voluj. Nam cùm in veſtris Templis ſacrorum ritus atq; Ceremoniæ Muſicis concentibus, magno cum auditorum fructu celebrentur, in hanc præcipue curam incumbendum mihi eſſe exiſtimauj, quò Muſicis Choris, ſi non ſubſidium per me, at ſubueniendi tamen cupiditas & boni Cantoris officium præſtò fuiſſe videatur. Ne igitur transferre hoc munus ad peregrinos viderer, vobis dedicandam eſſe hanc editionem cenſui.

Nec dubito, vos pro veſtra excellenti Sapientia, & religioſa in DEVM pietate, hanc meam voluntatem probaturos eſſe. Bene enim de vobis mereri in primis mihi optabile eſt, quos propter eximias virtutes, ob ſingularem in procurandis Eccleſijs fidem & integritatem, ob egregiam in præclariſsimum diuinæ Muſices ſtudium propenſionem & voluntatem, mihi eximiè ſemper colendos obſervandosq; propoſui. Quare, vt hanc ſignificationem mei erga vos Studij ab optimo animo & propenſiſsima erga vos Voluntate profectam, boni conſulatis, Vehementer à vobis etiam atq; etiam peto. Bene ac feliciter valete. Magdeburgi, 5. Cal: Ianuarij. Anno ſalutis humanæ 1587.

V. H.
