Franciſci Sale Muſici Cæſarei,

OFFICIORVM MISSALIVM,

QVIBVS INTROITVS, ALLELVIA ET COM- MVNIONES DE OMNIBVS OMNIVM SANCTORVM PER totum anni circulum, diebus feſtis & ſolennibus Quinq; & Sex vocũ cõtinentur

LIBER SECVNDVS.

A L T V S.

Anagramma παραινετικόν.

FRANCISCVS SALE,

EN: FAC SIS CLARVS.

LAudis amatores ſumus omnes: omnia laudis
Exacuunt ſtimuli: gloria calcar habet.
Et decet hoc. quis enim tanto torpore tenetur;
Nolit ut a gratâ nomina laude vehi?
Nullus opinor erit: vel erit ſi fortè; carebit
Vanus is haud ſane munere naris homo.
Quem laus non charum, neq; clarum gloria reddit;
Hunc vixiße parum poße iuvare puto.

Vitam longa breuem compenſat fama nepotum:
Perpetuum nomen qui bene vixit habet.
Sed bene vivit; amans qui Numina nomina famæ
Muneris & ſtudij parte vel arte dicat.
EN Franciſce: canens FAC vt SIS CLARVS ab arte
Quod facis, & charus nomen habere queas.

Ioannes Linck Celichius Sileſius
beneuolentiæ ergò faciebam.

REVERENDISSIMO ET ILLVSTRISSIMO PRINCIPI AC DOMINO D. STANISLAO PAVVLOVIO DEI ET APOSTOLICAE

Sedis gratia Epiſcopo Olomucenſi, regiæ Capellæ Comiti &c. Domino D. ſuo obſeruandiſsimo & gratioſiſsimo.

PYthagoras qui primus omnium eſt appellatus Philoſophus, (Reuendiſsime & Illuſtriſsime Princeps) cuius tanta fuit apud veteres opinio, vt eius etiam ſine ratione valeret autoritas; tanta admiratio, vt ex eius domo templũ facerent eumq; pro Deo colerent: Muſicæ vſq; adeo multum tribuit, vt mundum ipſum, non citra Muſicas rationes concinnatũ, compoſitũq; aſsereret, & argumentorũ ſubtilitate probare conaretur. Nimium fortaſse cuiquam in huius artis laude prouectus, atq; etiã vltra veritatis metas videri poteſt: ſed ignoſcendum eſt homini & illa ætate rudis ſapientiæ nato, & nulla Dei veri cognitione illuſtrato; præ ſertim in eius Artis lucẽ oculos intendẽti, quæ facile perſpicaciſsimi cuiuſq; aciem perſtrinxerit. Tanta enim eſt Muſicæ antiquitas, vt cum rebus ipſis nata; tanta nobilitas, vt è cœlo delapſa; tanta iucunditas, vt dulcedine ſua cuncta viuentia demulcere videatur; poſtremo tanta vtilitas, vt nulla pars vitæ humanæ ea vacare poſsit. Quæ res adduxit Platonem, vt ciuili viro, quem politicum vocat, Muſicam inter diſciplinas illuſtres eſse collocatam, quam vnà cum literis & gymnaſtica adoleſcentes priſcis temporibus diſcere conſueuerint, commemorat. Deniq; ſic à veteribus creditum eſt, tam turpe eſse Muſicam ignorare, quàm literas; vt mirum videri non debeat Socratẽ oraculi iudicio ſapientiſsimum iudicatum, iam ſenem ac morti vicinũ canere didiciſse. Hæc enim eſt Ars, quæ mœrentes conſolatur, languentes excitat, timidos animat, iratos cõponit, ægrotos leuat, pacem lætificat, bellum exacuit, curas depellit, labores alleuat, dolores mitigat & ſæpe tollit, conuiuia condit, funera cohoneſtat, ſacrifitia condecorat, Deum placat; nec vlla omnino eſt liberalium artium, quæ tam intimè ſe rebus diuinis inſeruerit, quàm Muſica. Hinc illæ in diuinis literis tam frequentes ad cantandum inuitationes.

Cantate Domino canticum nouum, cantate Domino omnis terra, Cantate ei canticum nouum, benè pſallite ei in vociteratione. Pſallite Deo noſtro pſallite: pſallite Regi noſtro pſallite. Poſtremo tanta eſt huius Artis ſiue dignitas ſiue iucunditas, vt illa ciuium cæleſtium inexplicabilia gaudia, non ferè aliter, quàm cantu perpetuo in ſacris litteris explicentur. Quæ mihi cauſæ extiterunt, vt hanc artem, quam puer auidè arripui, in hanc vſq; ætatem ſtudioſè colam, & pro mea facultate exornem. Atq; cùm ante annos aliquot, officiorum Miſſarum ſolenniorum tomum primum in magno folio, mea & Typographi ingenti iactura ediderim, ac Reuerendiſsimo & Illuſtriſsimo Principi D. D. VVolff: Theodorico Archiepiſcopo Salisburgenſi dedicauerim; Secundum eorundem diuinorum officiorum tomum minori hac forma excuſum, Reuerendiſsimę & Illuſtriſsimę Celſitudini tuæ (quanquã ignotus) humiliter offero. Ea eſt enim toto orbe Illuſtriſsimæ Celſitudinis tuæ gloria, vt nemo ſit, quanquam longe remotus, qui præſtantes & heroicas tantoq; Principe dignas virtutes Illuſtriſsimæ Celſitudinis tuæ ignoret; labores & ſtudia pro Eccleſia Dei, pro Rep: Chriſtiana ſuſcepta non ſciat ac prædicet. Quæ res, me hominem alioqui ignotum excitauit, vt has lucubrationes ac vigilias meas Celſitudini tuæ Illuſtriſsimæ dedicarem, ac pro felici noui huius anni auſpicio conſecrarem: Deum Opt: Max: rogans atq; obſecrans, vt Reuerendiſsimã ac Illuſtriſsimam Celſitutudinem tuã his tam perturbatis tẽporibus ſaluam & incolumem ad Eccleſiæ ſuæ vtilitatem & ſplendorem quam diutiſsimè tueatur. Datum Pragæ pridie Calendas Ianuarias: Anno Domini M. D. XCIIII.

Reuerendiſsime ac Illuſtriſsime Celſitudinis tuæ

Humillimus ſeruus

Franciſcus Sale
