PHILIPPO AVSTRIO
SECUNDO, CATHOLICO,
Hispaniarum, utriusque Sicilię, & Noui orbis
Regi amplissimo, &c. ac totius inferioris
Germanię Principi clementissimo;

GEORGIUS DE LA HELE
SACRÆ EIVS MAIESTATIS ALVMNVS,
SALVTEM PERPETVAMQVE FELICITATEM.

DITVRVS in lucem, REX POTENTISSIME,
has ingenij mei primitias, idque sub auspicio amplissi-
mi nominis Maiestatisque tuę; diu mecum frequen-
terque dubitavi, plusne in eo facto laudis an culpę futu-
rum esset. neque enim defuturos cogitabam, qui offi-
cio huic meo temeritatis potius quàm gratitudinis no-
men imponant: quibus nimirum videtur indignum
tanto Regi Musicum munus offerri. Verùm illi, si con-
siderabunt & quantum ego Maiestati tuę debeam, & quale gratitudinis ge-
nus præstare tantummodo possim; æquius paullò de me, spero, sentient. Nam
illud quidem, ut dignum aliquid offeratur tanta Maiestate tua, non mihi tan-
tum, sed illis etiam ipsis fortasse, qui ista contemnent, arduum in primis ac
difficile factum esse censeo. Est enim ea magnitudo nominis Maiestatisque tuę,
ut gloriam laudemque aliis rebus omnibus impartiri soleat, aliunde accipere
ipsa nequeat. Itaque reprehensionem temeritatis nullam prorsus in te parari
mihi video, si modò quam habeo causam huius audacię meę, (iusta satis alio-
quin erit:) quę apud me certè tantum valuit, ut sine grauissimi sceleris obliga-
tione non crediderim iudicium mutare mihi licere. Decem enim annos, quos
in sacro Maiestatis tuę choro versatus sum, maximis beneficiis affectus; ne-
que hac solum arte diligenter à pueris & liberaliter imbutus exercitatusque, sed
præcipuum etiam quendam fauorem expertus benignitatis tuę, cui potius pri-
mos hosce fructus offeram atque consecrabo, quàm cui hoc artis omne (cuius
me profectò, quantulum est, non pœnitet) debeo? nec hoc solum, sed quicquid
vnquam in vita commodi inde, vel adhuc obtigit, vel in posterum obtingere po-
terit. Possunt ii quibus contigit, ut ad maiorum rerum laudem educarentur
insti-

instituerenturque, præstantera longè polliceri, & splendidiorem in modum ea
adornare: mihi, si id non licet, tamen eorum exemplum imitari non debet ef-
se pudendum, à quibus, cum tauros quos Diis immortalibus immolarent non
haberent, agnus, aut si nec illum possent, quidlibet ut cuique facultas erat,
vellar & saltem super aras offerri solere narrat antiquitas. Atque hæc quidem
REGVM MAXIME, potissima causa fuit, cur laborem hunc meum Maie-
stati tuæ merito dedicauerim: libenter autem ob id, quod gratum in primis
Maiestati tuæ id officii genus fore confido: nam, alumnorum tuorum recor-
datione quàm suauiter oblecteris, scio. rerum autem sacrarum quanto sis stu-
dio, nihil est opus à me referri. Pietatis constantiaque hac in parte tuæ, non nos-
tatum modo testimonium dare possumus: sed ad separatas ab orbe nostro gen-
tes fama iamdudum atque experientia peruénit; ipsumque etiam Christiani
nominis inimicissimum hostem, quem utinam aliquando subigas armis, me-
moriam timore percellit. Quo magis operam dedi, ne Catholicam Maiestatem
tuam, alio quàm Catholico, hoc est, templis Deique sacrificio idoneo,
munere donarem. Hæc igitur Missas octo, quas sub nomine Maiestatis
tuæ in publicum apparere uti sinas supplico, testimonium grati animi mei,
tuorumque, REX INVICTISIME, immortalium in me beneficiorum,
eadem benignitate, quæso, prosequere; qua & me ipsum semper antehac es
prosecutus, & in posterum prosequi ne cesses, modis omnibus humiliter oro:
Deumque Opt. Max. precor, ut Maiestatem tuam, Ecclesiæ suæ bono, subdi-
torum felicitati, quàm diutissimè seruet incolumem.
