

Robert Stine

# A Summer Sound

## *A Summer Sound*

*for Flute and Pre-recorded Sounds,  
after an excerpt from 'The Idea of Order at Key West' by  
Wallace Stevens.*

*'...If it was only the dark voice of the sea  
That rose, or even colored by many waves;  
If it was only the outer voice of sky  
And cloud, of the sunken coral water-walled,  
However clear, it would have been deep air,  
The heaving speech of air, a summer sound  
Repeated in a summer without end  
And sound alone. But it was more than that,  
More even than her voice, and ours, among  
The meaningless plungings of water and the wind,  
Theatrical distances, bronze shadows heaped  
on high horizons, mountainous atmospheres  
Of sky and sea...'*
