LOVE'S VIGIL.

THE moon shines calm and bright,
My darling gently sleeping,
While I my watch am keeping
All through the silent night.
The stars now come and go,
Yet still my darling's dreaming;
While through his hair is gleaming
The moon-light silver glow.
Good-night!

My Love, sleep on, sleep on,
Until the day-light's dawning
Turns into glorious morning.
My Love, sleep on, sleep on!
While stars fade in the west
I'll lull you into sleeping;
Good night! in angels' keeping,
My darling, take your rest!
Good-night!
