DVCA DI SABIONETA,

PRINCIPE DI STIGLIANO;

Duca di Trinetto, & Mondragone, Conte di

E N T R E trà me stesso son'andato discorrendo con qual reuerente segno di gratitudine doueua io riconoscer la dependenza grande di seruitù che tengo à V. E. come suo deuotissimo, & fidelissimo Vassallo; Viene à porgermisi l'occasione di mandar in luce questo secondo Parto de miei Madrigali à cinque voci, & però hò deliberato di farli stampare sotto il felice nome di V. E. acciò con sì potente, & fauoreuol presidio, possa restar defeso, dalle detractioni, & emulationi di maligne lingue; massime sapendo che ella con la sua innata generosità non solo con particolar diletto suole stimare, honorare, & accogliere simili frutti di questa mia professione; mà per far singular gratia à me spero che si degnarà come la supplico ad accettar questo picciol dono in segno della mia sincera, & fidelissima seruitù, & con somma laude poi per le bocche di nouui Orfei, & Anfioni lo farà gir d'intorno. Prego Dio N. S. che questi piaceuoli agi così arricchisca la mia Musa che possa io souente mandarne fuora à più lieto viuere dell'Eccellenza Sua alla quale reuerente me inchino, augurandoli dal Cielo accrescimento di felicità continua. Di Nap. li 27. di Marzo 1614.

Di V. E.

Humilissimo Seruo, e Vassallo.
