THE OXFORD SERIES OF MODERN ANTHEMS, *edited by* STANLEY ROPER, contains anthems by contemporary composers of reputation with wide experience of the needs and capabilities of choirs. The music does not demand virtuosity or exceptional skill, although the series does to some extent break new ground.

THE OXFORD SERIES OF EASY ANTHEMS FOR PARISH AND VILLAGE CHURCHES, *edited by* ERNEST BULLOCK, is designed for choirs of modest attainments. Many of the anthems are in only two or three parts, but they are all interesting to sing and musically valuable.

TUDOR CHURCH MUSIC, *edited by* SIR PERCY BUCK, CANON E. H. FELLOWES, A. RAMSBOTHAM, *and* SYLVIA TOWNSEND WARNER. A popular, practical edition of 100 numbers from the monumental ten volumes of the works of our Tudor composers—Byrd, Tallis, Taverner, and others.

THE OXFORD CHURCH MUSIC SERIES, *edited by* HAROLD E. DARKE, is a collection of new services and canticles, designed to supply an alternative to the well-known chants and responses, but without over-elaboration. The series thus provides a varied choice of sincere, interesting, and musicianly settings.

MISCELLANEOUS OXFORD CHURCH MUSIC consists of Anthems, Carols, Services, Hymn Books, Hymn Leaflets, Psalters, Chant Books, and Books and Pamphlets for the Church Musician which for various reasons cannot be included in specific series.

CHURCH MUSIC SOCIETY PUBLICATIONS. This society exists to facilitate the performance of music most suitable for different occasions of Divine worship, and it wishes to make available the best of all styles. The Oxford University Press are publishers to the Church Music Society.

OXFORD ORGAN MUSIC

The famous series in the black and white covers is stocked by all leading music dealers. New works are constantly being added, which maintain the very high standard already set, although they range from the highest to the lowest grades of difficulty.

Catalogues of all the above sections are available and we shall be glad to add your name to our circularizing lists.
