Conditions:

1. All four (4) instrumentalists must make their own 12-tone matrix
2. No matrices between any two (2) instrumentalists may be identical
3. The four (4) instrumentalists must try to create harmony by hopping through rows at certain times
4. The rows you play must still be 12-tone rows in themselves
5. The instrumentalists must each play 12 individual rows throughout
6. No rehearsals are allowed prior to a performance. The matrices must be filled out prior to the performance. There must be no input between fellow instrumentalists over the writing of the 12-tone matrix. Analyzing possible paths before a performance is allowed.
7. The first notes of each 12-tone row an instrumentalist make must also be a 12-tone row.
