

OLIVER HOPKINS-BURKE

in extremis

for any number of musicians

Lo = The loudest sound you can make on your instrument.

Q = The quietest sound you can make on your instrument (while still being audible).

H = The highest sound you can make on your instrument.

Lw = The lowest sound you can make on your instrument.

All sounds last for 1 second or less.

Below is a sequence of sounds, with silences in between. Each musician starts independently from one another, at any point within the sequence. Once the end of the sequence has been reached, it may be repeated.

At any point, any musician may stop playing. The piece ends once every musician has stopped.

Lo	1"	H	2"	Lw	3"	Lo	4"	Q	5"	Lo	6"
Lw	7"	Lw	8"	Q	9"	Q	10"	Q	9"	H	8"
Lo	7"	H	6"	Lw	5"	H	4"	Lw	3"	H	2"
