Cash Register 1

John-Luke Mark Matthews

If an antique cash register, enter the following values for items:

4.23 Taxable

5.08 Non-taxable

1.25 Non-taxable

3.47 Taxable

2.20 Taxable

24.99 Taxable

-24.99 Taxable (client decided not to get it)

8.95 Non-Taxable

7.05 Taxable

Subtotal

Total

Compute change for \$40.00

If a newer cash register with optical item scanner, prepare random items prior to performance and scan them during the performance in whatever way you prefer.
